

HIGH SCHOOL TO COMMUNITY COLLEGE TRANSITION REPORT

HOW ARE MY HIGH SCHOOL STUDENTS DOING IN COMMUNITY COLLEGE?

Instructions: Utilize this worksheet in conjunction with the High School to Community College Transition Report on calpassplus.org. Log in to Cal-PASS Plus and navigate through the metrics on the tool to answer the following questions to help highlight longitudinal trends in our students' transitions and best prepare them for long-term success.

ACADEMIC YEAR:

NUMBER OF STUDENTS ENROLLED:

1. DID OUR STUDENTS ENROLL IN COMMUNITY COLLEGE?

a. Number of former high school students enrolled in community college by latest data available

b. Number of students enrolled in community college within a year of their high school graduation

c. Top three community colleges students enrolled in

2. WHAT WERE OUR STUDENTS' EXPERIENCES AT COMMUNITY COLLEGE?

a. Percentage of students that took transfer-level English

b. Percentage transferred to a four-year university

c. Percentage received an Associate's degree

3. WHAT CHARACTERISTICS IMPACTED STUDENT ENROLLMENT IN COMMUNITY COLLEGE?

a. Percentage of students socioeconomically disadvantaged

b. Charts that show significant equity gaps when drilled down
