California Community Colleges

LaunchBoard Updates for 2022-23

February 23, 2023

This document describes improvements and feature updates that have been made as part of the LaunchBoard dashboards 2023 releases. In addition to the items listed below under each dashboard, all are being updated to incorporate (1) 2021-22 enrollment and completion data (2) 2020-21 transfer, employment, and earnings data (3) 2019-20 Career and Technical Education Outcomes Survey (CTEOS) data where appropriate.

Summary of Releases and Updates with Links to Dashboards

K12 Strong Workforce Program: Initial release on 02/23/23

K12 STRONG WORKFORCE PROGRAM DASHBOARD

The K12 Strong Workforce Program dashboard examines Career Technical Education (CTE) engagement and high school graduation for K12 students at institutions awarded K12 SWP funding. This second release adds in additional data successfully submitted through Cal-PASS Plus at the institution level by Local Education Agencies (LEAs), determined to have been grantees in Rounds 1, 2, and 3 of K12 SWP funding, including two additional years of data for school years 2020-21 and 2021-22.[1]

In addition, the following new metrics or features have been added:
- All Rounds, Round 2, and Round 3 selections have been added to the "Rounds of Funding" drilldown to the existing Round 1 selection
- A "Comparison" view has been added to allow for comparisons between Rounds of Funding, locale and year selections for time trend and for drill downs on the data
- Three new metrics have been added to the dashboard for K12 Transition:
  - K12 CTE Participants Who Graduated from High School
  - K12 CTE Completers Who Graduated from High School
  - K12 CTE Completers Who Graduated from High School with Early College Credit, Work-Based Learning, or Third-Party Certification.
